

Curriculum Vitae

1. Pedagogic (scientific) degrees, name, surname	Professor Dr, Eman Noaman	
2. Education and scientific degrees	<i>Bachelor of Sciences, MSc and PhD</i>	
Institution	Professional qualification, qualification degree, academic degree	Year
Cairo University. Faculty of Science Cairo, Egypt	Bachelor of Sciences (demonstrator)	1980
Ain Shams University, Faculty of Science, Cairo, Egypt.	MSc degree (Ass. Lecturer of Biochemistry)	1992
Cairo University, Faculty of Science, Cairo, Egypt	PhD degree (Lecturer of Biochemistry)	1997
National Center for Radiation Research and Technology, Atomic Energy Authority	Associate Professor (Biochemistry)	2003
National Center for Radiation Research and Technology, Atomic Energy Authority	Professor (Biochemistry)	2008
3. Place of work		
Institution	Type of sector and occupation	Dates
National Center for Radiation Research and Technology Atomic Energy Authority	Lecturer of Biochemistry	1998
National Center for Radiation Research and Technology, Atomic Energy Authority	Associate Professor (Biochemistry)	2003
National Center for Radiation Research and Technology Atomic Energy Authority	Professor (Biochemistry)	2008
Chemistry/biochemistry department, Faculty of science, Helwan University Cairo, Egypt	Professor (Biochemistry & Molecular biology)	2011
Medical Laboratory Department, College of Applied Medical Science, Majmaah University.	Coordinator of Medical Laboratory department (Girl section)	2011-until now
4. Lectured subjects or courses		
Molecular biology		
Chromatography course		
Cancer Biology		
Advanced basic and clinical Immunology		
Radiation biology and radiotherapy		
tissue culture techniques immuno-histochemistry		
advanced courses in biochemistry		

General Chemistry (Chem. 105)
Organic Chemistry (Chem. 106)
General Biology (Biol. 106)
Pathology (CAMS 235)
Pathophysiology (RHPT 361)
Physiology (NURS 232)
Research Methods RHS 495
Method of nursing research (NURSG 475)
Histology (MDL 242)
Introduction of Immunology (MDL 244)
Principle of Biochemistry (MDL 451)
Medical Biochemistry (MDL 361)
Immunology and Serology (MDL-473)
Clinical Biochemistry (MDL-474)
