

Community College Students Visit Al Othaim Training and Development Academy in Riyadh

Community College students pay a visit to Al Othaim Training and Development Academy in Riyadh. Under the guidance of His Excellency Dr. Abdullah bin Ahmed Al Dahash, Dean of the Community College, sixteen students of the Department of Administrative Sciences and Humanities, Accounting Department, paid a visit to " Al Othaim Training and Development Academy in Riyadh " on Tuesday 06/04/1433 AH, to have an idea about the training and development system as well as the applied software in sales accounting and the retail trade in the Academy. The visit was under the supervision of Dr. Mahmoud Ragab Yassin Ghoneim, Department Supervisor, and Mr. Mahmoud Mustafa Mansour al-Sharif, Department Rapporteur. Students were welcomed by Mr. Abdulrahman Al Yahya, Department Lecturer, and Mr. Munif bin Mohammed Al Washtan, Director of the Academy, who prepared a distinctive program for training during this visit, which included the following points: 1. Training session in sales accounting. 2. Training session on the applied software regarding retail trade. 3. Training session in the planning methods. 4. A lecture to view the charitable achievements of the Academy. The visit was fruitful for students scientifically and morally, in addition to activating and achieving the link between the theoretical and practical sides of education.
