

Curriculum Vitae

1. Pedagogic (scientific) degrees, name, surname	Dr. Moattar Raza Rizvi	
2. Education and scientific degrees		
University of Delhi, Delhi, (India)	Ph.D in Medical Physiology	2009
Gauhati University, Guwahati, Assam (India)	M.Sc in Zoology (specialization in Animal Physiology & Biochemistry)	2001
1. Place of work	Type of sector and occupation	Dates
Institution		
Department of Nursing, Majmaah University, Majmaah, KSA	Teaching Anatomy, Physiology, Pharmacological aspect of Nursing care and Pathophysiology Assistant Professor, Medical Physiology	2014-2015
Department of Medical Laboratories, Majmaah University, Majmaah, KSA	Teaching Anatomy, Physiology, Pathology, and Pathophysiology Assistant Professor, Medical Physiology	2012-2014
Department of Physical Therapy, Majmaah University, Majmaah, KSA	Teaching Biology, Physiology, Pathology, and Pathophysiology Assistant Professor, Medical Physiology	2009-2012
LCRT College, Panipat (Haryana) teaching Physics, Chemistry, Botany & Zoology	Teaching Anatomy and Physiology Lecturer	2006-2008
Department of Physiotherapy, Faridabad Institute of Technology teaching Physiology and Anatomy, Immunology and Microbiology to the undergraduate students.	Teaching Anatomy and Physiology Lecturer	2002-2006
Lectured subjects or courses		
1. Principle of Anatomy, Fundamentals of Anatomy, Human Anatomy		
2. Principle of Physiology, Fundamentals of Physiology, Human Physiology		
3. Biology for Undergraduate students		
4. Basic and Systemic Pathology		
5. Pathophysiology		
6. Pharmacological Aspects of Nursing care		
7. Microbiology
