

Faculty Vitae

1. General Information:

Names	Nationality	Photo
Mr. Kamel Smida	Tunisia	

2. Education:

Degree	Discipline	Institution	Year
Bachelor	Energy Engineering	National Engineering School of Monastir, University of Monastir Tunisia	1997
Master	Physics	Faculty of Sciences, El Manar University Tunisia	2000
Ph.D.	Physics	Faculty of Sciences, El Manar University Tunisia	2014

3. Academic Experience:

Institution	Title	Period	FT/PT
High Institute of Applied Sciences Mateur, TUNISIA	Lecturer	2000 to 2002	FT
High Institute of Medical Technology of Tunis, TUNISIA	Lecturer	2002 to 2004	FT
Community College in ALMajma'ah King Saud University, KSA	Lecturer	2004 to 2009	FT
College of Applied Medical Sciences in ALMajma'ah Majmaah University, KSA	Lecturer	2009 to Present	FT

4. Non-academic Experience:

Organization	Title	Duties	Period	FT/PT
Maintenance and Equipment Department Tunisian Chemical	Student engineer	training	July-August 1995	FT

Group, factory of M'DHILLA).– Gafsa, Tunisia				
Tunisian Company for Electricity and Gas (Gafsa District) Tunisia	Student engineer	training	July-August 1996	FT

5. Certification or professional registration:

- Certified trainer certificate for the Learning Management System (LMS) JUSUR from The National Center for E-Learning and Distance Learning and Majmaah University
- Certified trainer certificate for the Learning Management System (LMS) D2L from the company agent of D2L in Middle East (Naseej) and Majmaah University, KSA
- Professional E-teacher Diploma from the American company: MC WEADON EDUCATION
- Effective E-teacher Diploma from the KOREAN SOCIETY FOR EDUCATIONAL TECHNOLOGY and E-teacher company ETC

6. Current membership in professional organizations

- Member at the Tunisian Engineering Board (from 1997 till now)
- Member at the Tunisian Association of Physics (from 1999 till now)
- Member at the research center of coastal sciences modeling in Tunis College of Engineering (from 2008 till now)

7. Honors and awards

- The University Rector's Award for Excellence in E-learning (first rank in the third section of the prize: the branch of excellence of using modern technologies in E-learning) October 2013
- The University Rector's Award for Excellence in E-learning (third rank in the first section of the prize: the branch of excellence in interactive electronic courses). October 2013
- Second prize for Best websites of faculty members at the competition organized by King Saud University, award presented by the Rector of King Saud University. February 2008
- First prize for colleges Best websites at the competition organized by King Saud University, (member of CCM committee of the KSU portal) award presented by the Rector of King Saud University. February 2008

8. Service activities within and outside the institution

- As a certified trainer, and head of E-learning unit at Majmaah university I have provided a training course for students of college of technology at Majmaah on virtual classroom in education, October 2013
- I have provided large number of training course in the field of E-learning within programs of the deanship of E-learning and distant learning for community service 2012-2014.
- Participation in the week of technology and E-transactions, October 2013
- Participation in the Global Knowledge Society Forum, Dhahran December 2013

9. Important publications and presentations from the past five years:

- Smida K., Lamloumi H., Hafsia Z. and Maalel K. (2011). CFD analysis of water solitary wave reflection. Journal of Engineering Research, Vol 8, N°2.

- Smida K., Lamloumi H., Hafsia Z., Maalel K. (2010). Numerical Simulation of Head-on Collision of two Solitary Waves by two Internal Mass Source Lines «International Conference on Applied Mechanics, Material and Manufacturing (ICAMMM2010) ». Muscat-Oman 13-15 December.
- Smida K., Lamloumi H., Hafsia Z. and Maalel K. (2012). Étude de la réflexion d'une onde solitaire sur une paroi verticale. Conférence Méditerranéenne Côtière et Maritime, Tanger – Maroc.

10. Most recent professional development activities:

- I have provided a large number of training courses on Learning Management System, JUSUR and D2L, for faculty members and students of the Majmaah University (2012-2014)
- I have provided a large number of training courses on using the interactive board (ACTIVE BOARD), for faculty members of the Majmaah University 2012-2014
- I have provided a large number of training courses on Medical Search Engines, for faculty members and students of the Majmaah University 2013-2014
- I have provided a large number of training courses on Authoring Tools, CourseLab, Articulate, Lecture Maker, Raptivity and QuickLessons for faculty members of the Majmaah University (2012-2014)
- I have provided a large number of training courses on how to use virtual classroom in education (WebEx and Adobe Connect), for faculty members of the Majmaah University 2012-2014
- I have prepared the instructor manual of the D2L learning management system (in English) 110 pages, 2014
- I have prepared the student manual of the D2L learning management system (in English) 35 pages, 2014
