

Executive plan for the **health informatics program** of the Department **of Public Health** at the College
Applied medical sciences

MajmaahUniversity

AH 1445

Academic year

2023

AH/2023 AD 1445

First: the basic data of the program

College of Applied Medical Sciences				The college to which the program is affiliated
Public Health				The scientific department to which the program belongs
years 6 <input type="checkbox"/>	years 5 <input type="checkbox"/>	years 4 <input checked="" type="checkbox"/>	Two years <input type="checkbox"/>	Years of study in the program
more <input checked="" type="checkbox"/>		lump sum <input type="checkbox"/>	nothing <input type="checkbox"/>	Number of batches graduated
) .Session No16 dated 06/26/1437 (Approval of the plan by the department
) .Session No26 dated 06/28/1437 (Approval of the plan by the college

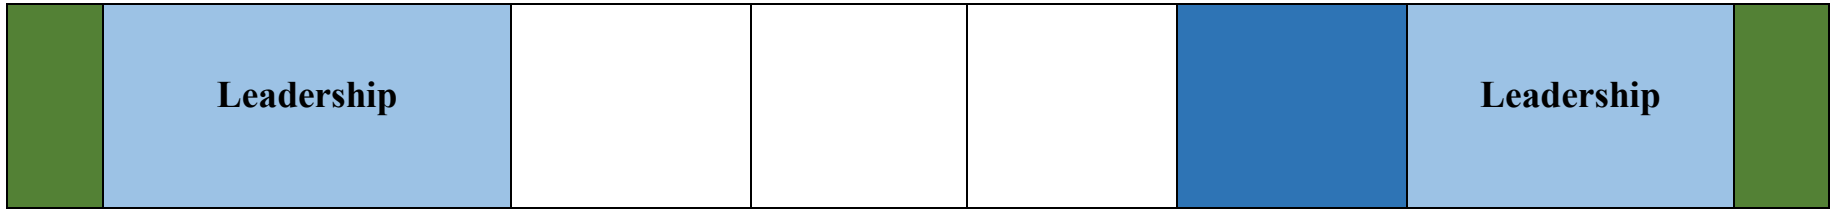

First: Program basic data

College			Applied Medical Sciences	
Affiliated departments				
Years of schooling	2 years <input type="checkbox"/>	4 years <input checked="" type="checkbox"/>	5 years <input type="checkbox"/>	6 years <input type="checkbox"/>
Number of graduated classes	None <input type="checkbox"/>	One class <input type="checkbox"/>	More <input checked="" type="checkbox"/>	
Plan approval by department			Session No. (16) dated 06/26/1437 H	
Plan approved by college			Session No. (26) dated 06/28/1437 H	

Second: Alignment between the vision and mission of the program and the college

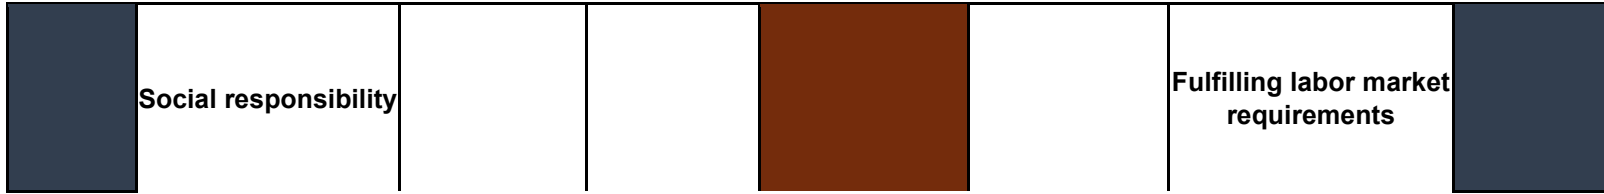

Aligning the program's vision with the college's vision /1-2

College vision	University vision					See the program	
		knowledge	compete	constribte	development		
	Medical education						Public health specializations
	scientific reseach						Applied research
	partnership Community						Health services

Aligning the program’s mission with the college’s mission /2-2

the college For a mission Main the words	the university For a mission Main the words					Program mission keywords
	Key words	Competitive education	Qualitative knowledge	Social responsibility	Sustainable development	
Quality of the educational environment						Advanced tutorial
Applied medical competencies						Distinguished public health personnel
scientific reseach						Public health research

Second: Alignment between the vision and mission of the program and the college

2-1/ Aligning program vision with the vision of the college

UNIVERSITY VISION						
Keywords	Knowledge	Compete	Contribute	Development	Keywords	
Medical Education					Public Health Disciplines	
Scientific research					Applied Research	
Community					Health Services	
Leadership					Leadership	

COLLEGE VISION

PROGRAM VISION

2.2 Compatibility of program mission with college mission

COLLEGE MISSION KEYWORDS	UNIVERSITY MISSION					PROGRAM MISSION KEYWORDS
	KEYWORDS	Competitive Education	Qualitative Knowledge	Social Responsibility	Sustainable Development	
Quality Educational Environment						Advanced Educational Program
Applied Medical Competencies						Distinguished Public Health Cadres
Scientific Research						Public Health Research
Community Responsibility						Achieve Labor Market Requirements

Third : The values governing the program

1. respect and appreciation
2. Commitment and professionalism
3. devotion
4. Mastery
5. Transparency

Fourth: The strategic objectives of the program

1. . Raising the university's status locally and globally
2. Achieving competitiveness in the educational program outcomes.
3. Enhancing knowledge production.
4. Improving the quality of services.

Fifth: Sources for preparing the program's executive plan

- The program's operational plan 2020-2025
- End of program test application report (EXAM EXIT)
- Report evaluating the learning outcomes and characteristics of graduates in the program.
- Quality assurance report measuring performance indicators.
- Program report for last year.
- College operational plan 1444 H

Sixth : The program's executive plan

Raising the university's status locally and globally	first strategic goal
Meeting institutional and programmatic accreditation standards	(1- Detailed objective
	(1

Target group	Implementation period		Implementation responsibility		Implementation phases		Performance indicators	Initiatives	M
	to	from	the basic	Support					
KPI-PO1: 90%	2024/6/10	2023/20/08	Faculty members	Quality Committee	Complete course and program descriptions .and reports	1	Percentage achieved by Plan objectives Operational program (KPI-PO1)	Complete Program accreditation requirements	1
KPI-P02: 4.2	2024/10/06	2023/20/08	Quality Committee	Academic Affairs Committee	Measuring learning . outcomes	2	Student evaluation of quality Learning experiences in the program (KPI-P02)		

80%	2024/10/06	2023/20/08	Quality Committee	Faculty members	Measure key performance indicators	3	Performance indicators measurement .report		
KPI-PO1 90%	2024/10/06	2023/20/08	Advisory Board	Quality Committee	Creating a - guide to regulations and .rules Measure the- extent of implementation of improvement plans submitted by Program advisory .boards	1	Percentage achieved by Plan objectives Operational program (KPI-PO1)	Activating advisory councils at the program level	2
KPI-PO1 90%	2024/10/06	2023/20/08	Academic Affairs Committee	Quality Committee	Develop study plans for programs and follow up on their development and completion		Percentage achieved by Plan objectives Operational program (KPI-PO1)	Develop program outcomes	3

					Models for developing .study plans Verifying alignment of program learning PLOs) outcomes (And the course learning CLOs) outcomes (.

Raising the university's status locally and globally

first strategic goal

Commitment to social responsibility

(2- Detailed objective

(1

MU-P01: 4.5	2024/10/06	2023/20/08	Volunteering unit	Community Service Committee	Participation in .volunteer activities Beneficiary opinion poll (department	1	'Beneficiaries satisfaction with Community services (MU-P01)	Promoting volunteer work	1
-------------	------------	------------	-------------------	-----------------------------	---	---	--	--------------------------	---

			And community service		employees and (individuals Community) about community initiatives they would like to Presenting/benefiting .from it			
--	--	--	-----------------------------	--	--	--	--	--

Achieving competitiveness in educational program outcomes

The second strategic
goal

For educational program outcomes Continuous Optimization

(1- Detailed objective
(2

Target group	Implementation period		Implementation responsibility		Implementation phases		Performance indicators	Initiatives	M
	to	from	the basic	Support					
MU-P04: 80% KPI-P14: 90%	2024/6/10	2023/20/08	Faculty members	Academic Affairs Committee	Addressing faculty members to whom He would like to provide research	1	Number of student _ research (MU-P04) Percentage of publication	Developing student research competencies	1

					<p>training courses to develop competencies</p> <p>Student .research</p> <p>Conduct a - questionnaire after the end of the course about the feasibility ,Course content and .timing</p>	<p>Scientific staff members</p> <p>KPI-) Teaching P14)</p>		
<p>MU-P04: 80%</p> <p>KPI-P14: 90%</p>	2024/10/06	2023/20/08	Academic Affairs Committee	Agency for Educational Affairs	<p>Preparing student lists</p> <p>To learn via the FutureX .platform</p> <p>Giving a - lecture to the beneficiary students on</p>	<p>Number of student _ research (MU-P04)</p> <p>Percentage of publication Scientific staff members</p>	Developing self-learning competencies	2

					<p>how Access and use of the .platform</p> <p>Providing - support to users of the platform</p> <p>Measuring - student satisfaction with the learning service via the platform</p> <p>Measuring - the number of active students on the platform</p>		KPI-) Teaching P14)		
KPI-P10: 4.0	2024/10/06	2023/20/08	College Vice Deanship for Educational Affairs	Academic Affairs Committee	Honoring outstanding and distinguished male and female	3	Reda Al Talal A on B Services provided (KPI-P10)	Promoting the care of creative and distinguished students	3

					students And celebrate them at the college's annual ceremony Preparing an - honor board in the college that includes the names of students The outstanding and distinguished students Publishing - the most prominent research or academic achievements of students			
--	--	--	--	--	---	--	--	--

					Community College .Twitter				
MU-P04: 80% KPI- P14: 90%	2024/10/06	2023/20/08	College Vice Deanship for Postgraduate Studies and Scientific Research	Scientific Research and Innovation Committee	Holding a course in cooperation with the Center for Innovation and Scientific Research Titled: The best ways to convert graduation ...projects into . Innovations	4	Number of student _ research (MU-P04) Percentage of publication Scientific staff members KPI-) Teaching P14)	Link to graduation projects at the Innovation Center	4

Achieving competitiveness in educational program outcomes

The second strategic goal

Structuring academic programs according to future trends	(2- Detailed objective (2
--	----------------------------

Target group	Implementation period		Implementation responsibility		Implementation phases		Performance indicators	Initiatives	M
	to	from	the basic	Support					
KPI-P01: 90%	2024/6/10	2023/20/08	Quality Committee	Vice Deanship for Educational Affairs	Proofreading software documents such as program descriptions and descriptions Courses. And check the program matrix to verify Compatibility with the National Qualifications Framework (NQF).	1	Percentage not verified Operational plan For the program (KPI-P01)	Aligning programs with the Saudi Qualifications Framework	1

Achieving competitiveness in educational program outcomes

The second strategic goal

Developing a measurement and evaluation system (3- Detailed objective (2

Target group	Implementation period		Implementation responsibility		Implementation phases		Performance indicators	Initiatives	M
	to	from	the basic	Support					
KPI-P02: 4.2	2024/6/10	2023/20/08	Vice Deanship for Educational Affairs	Academic Affairs Committee	Holding workshops for all faculty members on building Questions to improve the quality of question banks for programs every .semester Holding - training	1	Student evaluation of quality Learning experiences in the program (KPI-P02)	Developing question banks	1

					courses to review question banks on the system Assessment) and tests (SARAS). And linking it to educational .outcomes				
KPI-P03: 4.2	2024/6/10	2023/20/08	Ionliness Educational affairs and tests	E- learning unit	Developing-question banks for standardized .tests Linking-questions to learning outcomes	1 2	Student assessment of quality _) No decisions (KPI-P03	Enhance standardized testing	2
KPI-P03: 4.2	2024/6/10	2023/20/08	Quality Committee	Agency for Educational Affairs	Review course descriptions to ensure consistency of teaching	1	Student assessment of quality _) No decisions (KPI-P03	Review consistency between teaching strategies	3

					strategies with assessment methods			And the calendar	
--	--	--	--	--	------------------------------------	--	--	------------------	--

Achieving competitiveness in educational program outcomes

The second strategic goal

Improving the quality of university life for students	(4- Detailed objective (2
---	----------------------------

Target group	Implementation period		Implementation responsibility		Implementation phases		Performance indicators	Initiatives	M
	to	from	the basic	Support					
KPI-P05: 95%	2023/10/9	2023/20/08	Guidance and Guidance Committee	Quality Committee	An- introductory lecture for new students A field tour to-learn about lecture halls and laboratories	1	Student retention rate KPI-) First year (P05	Strengthening the qualification of new students	1

					Holding-periodic meetings for students with academic supervisors			
KPI-P05: 95%	2024/6/10	2023/20/08	Vice Deanship for Educational Affairs	Academic Affairs Committee	Adopting a "Da'im" system" to support late students .Academically Distributing - "the "Da'im" system to scientific departments to activate it Identifying members designated to provide remedial lessons	Student retention rate KPI-) First year (P05	Supporting students who are falling behind academically	2

					For male and female students			
KPI-P03: 4.2	2024/6/10	2023/20/08	Academic Affairs Committee	Agency for Educational Affairs	Implementing student activities during the school year And measure 'students satisfaction with these activities	Student assessment of quality _) No decisions (KPI-P03	Developing extracurricular _ _ activities	3
KPI-P02: 4.2	2024/6/10	2023/20/08	Guidance and Guidance Committee	Guidance and Counseling Unit	List all students who have not been assigned an academic advisor Circulating . the user guide for the academic advising system Email	Student evaluation of quality Learning experiences in the program (KPI-P02)	Developing academic and psychological guidance systems	4

					<p>to all faculty .members</p> <p>An inventory - of the reports of the electronic academic advising .system</p> <p>Identify and - guide students who have a need for guidance</p> <p>Psychologist to the college guidance and counseling unit</p>			
KPI-P09: 4.0	2024/6/10	2023/20/08	Academic Affairs Committee	Graduates Unit	<p>Conduct a survey of graduates to find out the situation in the .labor market</p>	<p>Employer calendar</p> <p>For the competence of program graduates (KPI-P09)</p>	<p>Improving the efficiency of graduates</p>	5

					Preparing a - comprehensive database of graduates for .departments			
--	--	--	--	--	--	--	--	--

Enhancing knowledge production

The third strategic goal

Developing the entrepreneurship system	1-) objectiveDetailed (3
--	-------------------------------

Target group	Implementation period		Implementation responsibility		Implementation phases		Performance indicators	Initiatives	M
	to	from	the basic	Support					

<p>MU-P4:10 SMU69: 1 per year</p>	<p>2024/6/10</p>	<p>2023/20/08</p>	<p>Scientific Research and Innovation Committee</p>	<p>College Vice Deanship for Postgraduate Studies</p>	<p>Holding a course in cooperation with the Center for Innovation and Entrepreneurship on The ability to transform graduation projects into innovations and presentations Consulting in this field</p>	<p>1</p>	<p>Number of student _ research (MU-P4) Patent rate (SMU69)</p>	<p>Motivating students for entrepreneurial projects</p>	<p>1</p>
---	------------------	-------------------	---	---	--	----------	---	---	----------

Improving the quality of services

The fourth strategic goal

Improving the operational efficiency of facilities
And equipment

(1- Detailed objective
(4

Target group	Implementation period		Implementation responsibility		Implementation phases		Performance indicators	Initiatives	M
	to	from	the basic	Support					
KPI-P17: 4.2	2024/6/10	2023/20/08	Laboratories Committee	College Vice Deanship for Educational Affairs	Designing - forms to survey and measure the level of satisfaction By students and members at the end of .each semester And data- . analysis	1	'Beneficiaries satisfaction with Learning resources (KPI-P17)	Improving the readiness of laboratories and laboratories	1
KPI-P17: 4.2	2024/6/10	2023/20/08	Faculty Administration	Laboratories Committee	Establishing two courses for .technicians			Developing the performance	2

					Holding a - course for technicians and those interested in maintenance principles And .safety A course on - creating an Excel database for devices and tools .In laboratories		of technicians	
--	--	--	--	--	--	--	-------------------	--
