**Feedback:**

❖ **Internal audit Committee's comment:**

Consistency with program outcomes in exam cover page should be verified by the skills (S2) and values(V2.)

❖ **Strengths:**

The exam questions were neatly framed and all regulations were followed

❖ **Weakness:**

The mark distribution details were incorrect in the front page.

Questions to test the cognitive skills is less.

Questions from 21 to 42 mainly assess Knowledge neither Skills nor Values

❖ **Recommendations:**

Question paper review procedures should be strengthened to verify the learning domains assessed.

Verify Questions from 21 to 42 because it mainly assess Knowledge neither Skills nor Values
