

## **The College gets the First and the Third of the Rector's Awards of Quality and Excellence**

**By God's grace and the efforts of its employees, the college got advanced positions in the rector's awards for quality and excellence at the level of faculty members, administrators, and students. The ceremony was organized by the deanship of quality and skill development under the auspices of his Excellency the rector of the college on Tuesday, 11/07/1434 Hijra. The college was the first of the university colleges in terms of positions it achieved. The positions were represented as the following**

**Dr. Mouna Toukal Alsaïd got the first rector's award for quality and excellence at the level of faculty members in the college**

**The employee Ahmad bin Abdullah Alhamad got the first rector's award for quality and excellence at the level of male and female administrators in the college**

**The student Aloulou bint Abdullah Alhamin got the third position in the rector's award for quality and excellence at the level of male and female students in the college**

**On this occasion, his Excellency the dean of the college, Dr. Abdullāh Alsūket thanked his Excellency the rector of the college for sponsoring the event which would have a significant role in motivating the college staff to work more in the coming days. He also congratulated and blessed the participants who got those positions and the college for this achievement**
