

A group from the Quality and Skills Development visited the female departments of the Zulfi College of Education on Thursday, 01/04/1435 AH. The delegations were received by the college deputy of Quality and Development (in the female departments) A. Lulu bint Amer Saleh and the Quality coordinator Najla Al Nafjan. The meeting was attended by the Deputy of Academic Affairs Professor Duweish, the college Deputy of Student Affairs A. Mona Al-Fawzan and the Academic programs supervisors. The meeting started with a welcoming speech by His Excellency the deputy of Quality and Development Dr. Abdullah bin Awwad Al-harbi via the television network in which he referred to the importance of the visit as an effective means to improve the quality performance within the college in general and in the academic programs in particular. Then, the head of the Quality Center D. Abdulhakim Radwan explained the working process within the college and the academic programs related to the activities of quality and academic accreditation. Afterward, Dr. Abdullah Al-Harbi invited the visiting group to observe the quality and academic accreditation activities of the female departments then the head of the Quality Center intervened and the head of the visiting group; Dr Abdul Baki replied and thanked both of them for their warm reception and hospitality.

The visit aimed at surveying the annual plan for the Quality Center and checking how to apply the standards of quality and academic accreditation in the college programs as well as identifying the extent of readiness of the accreditation programs and observing the documentation of activities.
