

and Progress of Exams Overseeing the Organization

Under continuous monitoring of the educational process at the College of Education the Dean Dr. Abdallah bin Khelifa Suwaiket had a field tour on Saturday ١٤٣٤/١٦/٠٢ AH to oversee the progress of the first term exams in the academic year 1433/1434 AH .

The Dean was accompanied by the Vice Dean of Studies and Development, Dr. Rashid bin Hamoud Thunayan and Vice Dean for Academic Affairs Prof. Jabor bin Azaviha Elfahhem and the Vice Dean for Administrative Affairs Prof. Nasser bin Othman Al-Othman.

This comes in the context of careful field follow-up for all that is offered to the college students, and for the availability of the conditions which would help students take their exams with ease, in addition to the efforts made to overcome all the difficulties that may hinder the progress of their exams by taking advantage of their university facilities (represented in the College of Education in Zulfi), the college material and moral capabilities, and its potential human resources
