

A Ceremony Honoring Programs Ready for Academic Accreditation

Within the context of a ceremony honoring programs ready for academic accreditation, which was held under the auspices of His Excellency the Rector Dr. Khaled bin Saad al-Muqrin on Sunday, 17/2/1434 AH, his Excellency the Dean Dr. Abdullah bin Khalifa Suwaiket was honored by the second ranking bis for realizing of the Department of Chemistry's program.

The Chemistry Department was also honored by His Excellency the Rector. It was represented by His Excellency the Vice Dean of Studies and Development Dr. Rashid bin Hamoud Al-Thunayan.

Moreover, the Director of Quality Center Dr. Abdulhakim Radwan had a presentation about the most important achievements made by the department to reach such a level.
