

His Excellency, Al Majamaah university rector, Dr. Khaled bin Saad Al Moqurin, made an inspection visit for the Education Faculty of Al Zulfi governorate affiliated to Al Majammah University to view the work flow inside it where the deputy college, Dr. Abdullah As-Swaiket, rector of college directorate Prof. Naser Al Tariqi and college members including managers and staff was in his reception. There has been a visual presentation of the college which involved the history of it origin, college departments, available potentials, its requirements and inspirations of the college members. Then His Excellency made a tour for the college facilities during which he saw the lecture halls, laboratories, library and external yards. At the end of the visit, he offered thanks to workers within the college and praised what they proved of work and effort which approved proud everyone for each on of us. He also expressed that he is not satisfied about the current condition of the college, lack of some potentials and services offered to students inside it. He ordered the activation of the committee workers which he directed its formation a period ago which was specialized in rehabilitation of the education college of Al Zulfi in its architectural, art, desk, technical and administrative aspects. He accelerated its works together with studying the college and its requirements plus making the necessary researches for its rehabilitation and development in a practical and immediate steps. His Excellency, the university rector was, in his visit, accompanied by a number of deans of faculties, supportive deaneries and consultants in H.E office and a number of officials within the university.

Visit met with the appreciation of the education college members in Al Zulfi. Again it showed His Excellency, the university rector interest and his great enthusiasm for the favor of the university and his continuous follow-up for all colleges and university facilities in the governorates served by the university.
